# CONCEPT NOTE

The last two years have witnessed significant transformation in the nature of educational ecosystem in India. From using Information technology as an additional tool in classroom to its careful incorporation in the teaching and learning process, the academic community is continuously adapting to the changed requirements. This change becomes more pertinent in the wake of the National Education Policy, 2020 (NEP 2020). NEP 2020 calls for an innovative approach and latest skills from educators for creating a holistic learning environment in this unprecedented context.

The classroom space needs strengthening and expansion in terms of multi-dimensionality. Innovative approaches, both for teaching and evaluation, should be adopted in addition to imparting immense value to the skill development and understanding of the ever-changing dynamics between the local and the global. This calls for a careful incorporation of digital technologies with experiential and activity-based learning. These changes can be accomplished only through a systematic training mechanism focused on preparing a pool of efficient and effective educators.

In this backdrop, the present Online Induction Training/Orientation Programme organised under the Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching scheme of Ministry of Education aims to acquaint teachers with the most recent techniques in pedagogy along with a focus on developing their technological, administrative skill-set. The objective is to empower and motivate the teachers for enlivening the learning process which is collaborative and participant-centered. Further, the focus is to integrate learning and teaching with Information Communication Technology (ICT), and to equip the teachers with the latest assessment tools in higher education.

For this, the programme will have deliberations on teaching and research methodologies, curriculum structure, and design, gender and social diversity, professional ethics, sharing of best practices, and also the updating of developments in specific disciplines in which the teachers are engaged. The training module for this Induction Programme also emphasizes the personal development of the teachers in terms of interpersonal skills, career development, and life planning issues. It will provide the teachers with the instructional tools for curriculum design and assessment, accessing technology. There is a detailed discussion on the organizational skills required for the teachers to initiate and improve the institutional environment.

The Programme will be conducted online in a self - paced manner through the Learning Management System (LMS), designed by the Research Development and Services Cell of the college. It is predominantly participant-friendly and incorporates the four - quadrant approach prescribed by the Ministry of Education. The sessions are also uploaded for larger audiences on the [\*\*official YouTube Channel of the College.\*\*](#)

The Induction Programme also involves expert guidance of eminent academics and specialists, hands-on training modules, exercises in direct classroom teaching, questionnaire-based responses, interactive sessions, collaborative learning, assessment of learning outcomes, project work, and field visits.

## **Enrichment Spectrum at the Teaching Learning Centre (TLC), Ramanujan College**

The College has also entered into Memorandum of Understanding(s) with foreign universities. It is also working for collaboration with other higher education institutions located in remote areas of the country, under the Vidya Vistar Scheme of the University of Delhi.

# BAREILLY COLLEGE

It is a matter of considerable gratification and pride that Bareilly College has now completed the cycle of One hundred eighty three years of useful services to the cause of the education in the region of Rohilkhand. It first opened its door as a Government school in 1837 under the Liberal Government of Sir Charles Metcalfe the then Lt. Governor of the North Western Provinces. In 1837 the college began with 57 pupils and Mr. Rogers was its Head master. The course of Bareilly College has never smooth & unaccountably awry and baffling it was in the initial stage when it had to battle right royally against the formidable forces of ignorance and superstition masquerading under the name of religiosity. With the passage of the time the adverse criticism died down and the college gathered and more strength, commanded the confidence and respect of the public and thus made steady progress. In 1850 it was raised to the status of Government College with Mr. Vernon Tregear (1850-53) as its first principal.

Prof. R.P. Singh as principal has taken the initiative to introduce a large number of Degree courses at U.G. and P.G. level and numerous diploma and certificate courses also. These included conventional courses such as Geography, Home Science, Psychology, along with new courses like Biotechnology and Environment Science. B.B.A., B.C.A., and M.Ed. Now Dr Om Prakash Rai has joined as Principal on 21st April 2022.
