SOFT SKILLS

25 – 31 October 2021

CALL FOR
REGISTRATION
AND
PARTICIPATION

RAMANUJAN COLLEGE

Ramanujan College is a constituent College of the University of Delhi (DU). It is inspired by the life and work of Srinivasa Aiyangar Ramanujan, one of the world's greatest mathematicians. The College has been accredited Grade "A" by the National Assessment and Accreditation Council (NAAC) in its First Cycle. It is located in the well-known area of Kalkaji, near Nehru Place, in South Delhi.

The College was established in 1958 as an evening college for boys with just five programmes. Since 2010, Ramanujan College has been expanding and now with the latest addition of B.Sc. Environmental Sciences (Hons) in 2020, it at present offers sixteen undergraduate programmes in different disciplines. This achievement, in alignment to the recommendations of the National Education Policy (NEP) 2020, makes the College a centre for interdisciplinary studies and research with a future focus on blended learning. It has gradually grown into a self-sufficient and self-reliant institution owing to its academic vigour and intellectual capital.

Ramanujan College was awarded the Deen Dayal Upadhyay - Knowledge Acquisition and Upgradation of Skilled Human Abilities and Livelihood (DDU KAUSHAL) Kendra in 2016 by the UGC, under which two vocational courses were started in Banking Operations and Software Development.

The College has conducted a Course on Human Rights, Environment and Ethics through its National Resource Centre (NRC), under the Annual Refresher Programme in Teaching (ARPIT) scheme of Ministry of Education (MoE). This Course was uploaded on MoE's Massive Open Online Course (MOOC) platform SWAYAM and many participants registered for it.

Ramanujan College offers various short-term diploma, certificate, and executive development programmes on contemporary and skill-oriented themes. These are conceived and designed by faculty members in consultation with external experts.

The courses get exceptional response from the students and are conducted throughout the academic session. They are open to alumni and students of all the colleges. Some of these courses support the curriculum, some prepare the students for higher studies and also accelerate the professional growth.

The College is the Study Centre of School of Open Learning (SOL), Non-Collegiate Women Education Board (NCWEB) and Indira Gandhi National Open University (IGNOU) for various courses. As an initiative towards students and teachers exchange programmes, the College has entered into Memorandum of Understanding(s) with foreign universities. It is also working for collaboration with other higher education institutions located in remote areas of the country, under the Vidya Vistar Scheme of the University of Delhi.

The prestigious Teaching Learning Centre was awarded to Ramanujan College in 2017 by the Ministry of Education, under the Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT) scheme.

In pursuit of its vision: "Discover, Empower, Transform: Building A Better World", Ramanujan College is today perceived as one of the best colleges in the country.

TEACHING LEARNING CENTRE RAMANUJAN COLLEGE

Teaching Learning Centre (TLC) is mandated by the Ministry of Education (MoE) to organise Faculty Development Programmes (FDPs), Faculty Orientation and Induction Programmes (FIPs), discipline specific and interdisciplinary Refresher Courses, conferences, workshops, through offline and online modes. These programmes are based on in-depth subject knowledge, quantitative and qualitative research methodologies, and on an interdisciplinary approach as is envisaged in the National Education Policy (NEP), 2020.

The TLC, Ramanujan College has been set up with the aim of "Reaching the Unreached" teachers in terms of regional diversity and geographically remote areas of the country. It has successfully conducted more than hundred learner-centric programmes since October 2017 and trained over one lakh teachers across the country in various discipline specific and interdisciplinary programmes.

In the TLC Programmes distinguished and internationally acclaimed resource persons deliver lectures and conduct sessions on wide ranging disciplines/topics of relevance in the contemporary and ever evolving global scenario to benefit the teaching fraternity, corporates and researchers. The sessions are also uploaded for larger audiences on the official YouTube Channel of the College.

Ramanujan College is a pioneer in offering offline/online courses for faculty members of higher education institutions and research scholars through the customised Learning Management System (LMS), designed by the College's Research Development and Services Cell. It is predominantly participant-friendly and incorporates evaluation methods and comprehensive feedback systems to judge learning outcomes. The LMS is hosted on CLOUD with high scalability and reliability. The College has installed its own Cloud Infrastructure to host its servers for research and data analysis.

Enrichment Spectrum at the TLC, Ramanujan College

- Transforming teachers into knowledge-creators
- Emphasis on creating self-learning space for participants
- Interaction with eminent scholars and academicians
- Four Quadrant Approach (e-tutorial, e-content, Self-Assessment and Web Resources).
- Regular follow-up with the participants through Google Classroom/ Telegram/ Discussion Forum.
- Adaptation skills for the dynamic contemporary environment

- Inter and cross-disciplinary methodologies of study
- Co-creation and mutual contribution between participants and facilitators
- Formation of knowledge capital
- Online certificates using the Blockchain Technology to ensure authenticity and verifiability

TELANGANA UNIVERSITY

Since education is both a training of minds and souls of young generation, it should give both knowledge and wisdom to the students. As an emerging premier state University, Telangana University dedicated to teaching, research and enlighten to the young minds. The University came in to existence by the State Government Act of 28 in the year 2006. Telangana University has secured prestigious NAAC "B" Grade. It is exactly located in a picturesque and greenery land with an about 577 acres at Dichpally adjacent to the Hyderabad - Nagpur National Highway 44 nearly 20 Km from Nizamabad town. The University has very good infrastructure which includes smart class rooms, adequate infrastructure, spacious and well equipped laboratories, sufficient hostels and administrative Building. The University started its journey with six Departments initially in September 2006 and extended it to 29 departments and

introduced PhD programme from 2012. All most all the Post Graduate courses are unique in nature and very professional and highly employment oriented with well qualified faculty. The University has three different and spacious campuses i.e., Main Campus at Dichpally, South Campus at Bhiknoor and the Third Campus at Sarangapur.

DEPARTMENT OF MASS COMMUNICATION

The Department of Mass Communication had its inception in the 2006. The Department offers two year PG course and adopted both theoretical and practical methods of teaching through lectures, discussions, and seminars. From 2011-12 academic year, the Department started PhD programme in Mass Communication. The curriculum has been designed employment oriented. At Present five well experienced faculty members working in the Department: One Professor, One Associate Professor and Three Assistant Professors. The Department organise weekly seminars for the students on various topics to motivate the students and frequently conducting field visit trips. The Department organized One week Research methodology programme for PhD Scholars sponsored by ICSSR-SRC and National International Conferences sponsored by various funding agencies ICSSR-SRC, UGC and TSCHE.

CONCEPT NOTE

An educator's subject-matter expertise can be measured through grades, certifications, and exams, there are some intangible traits that can help them become better, more effective teachers that cannot be measured. These abilities, which are generally referred to as "soft skills," cannot be quantified but can be developed through time to help educators interact better with students, colleagues, and with wider audience. There is a list of soft skills for teachers that can help them enhance their performance irrespective of their experience and expertise.

Communication, both oral and written, is an important soft skill for teachers to have in order to properly receive and distribute information. An efficient and effective teacher must be skilled communicator who know how to communicate with a wide range of people. One of the most important soft skills for instructors is cooperation and collaboration, which is required to execute even the most basic activities such as group projects, peer-to-peer interaction, and so on. Other soft skills for teachers include critical thinking, leadership, and problem-solving abilities, without which a teacher will be unable to control class conduct or progress.

The present Faculty Development Programme will cover strategies to develop in these areas.

THEMES

- **Effective Communication and Interpersonal Relationship**
- **Importance of Creative and Critical Thinking**
- **Decision Making and Problem Solving Strategies**
- **Self-Awareness and Empathy**
- **Achievement Motivation**
- **Coping with Stress and Emotions**
