Ministry of Education

is organising an

Online One-week Faculty Development Programme **DIGITAL SECURITY IN ONLINE CLASSROOM**

10 - 16 October 2022

**Call for Registration
& Participation**

Ramanujan College

Ramanujan College, a constituent College of the University of Delhi was established in 1958 as an evening college. The College has been accredited Grade “A++” by the National Assessment and Accreditation Council (NAAC) in its Second Cycle.

At present, Ramanujan College offers sixteen undergraduate programmes in different disciplines. Besides this, the college has been awarded the DDU KAUSHAL (Deen Dayal Upadhyay – Knowledge Acquisition and Upgradation of Skilled Human Abilities and Livelihood) Kendra (2016) by UGC and Teaching Learning Centre (2017) by the Ministry of Education. The College also offers short-term diploma, certificate, and executive development programmes on contemporary and skill-oriented themes to complement the regular graduation courses. It is also the Study Centre of School of Open Learning (SOL), Non-Collegiate Women Education Board (NCWEB) and Indira Gandhi National Open University (IGNOU) for various courses.

In 2018, the College conducted a Course on Human Rights, Environment and Ethics through its National Resource Centre (NRC), under the Annual Refresher Programme in Teaching (ARPIT) scheme of MoE. The College has also entered into Memorandum of Understanding(s) with foreign universities. It is also working for collaboration with other higher education institutions located in remote areas of the country, under the Vidya Vistar Scheme of the University of Delhi.

Teaching Learning Centre Ramanujan College

Teaching Learning Centre (TLC) is mandated by the Ministry of Education (MoE) to organise Faculty Development Programmes (FDPs), Faculty Orientation and Induction Programmes (FIPs), discipline specific and interdisciplinary Refresher Courses, conferences, workshops, through offline and online modes. These programmes are based on indepth subject knowledge, quantitative and qualitative research methodologies, and on an interdisciplinary approach as is envisaged in the National Education Policy (NEP), 2020.

The TLC, Ramanujan College has been set up with the aim of "Reaching the Unreached" teachers in terms of regional diversity and geographically remote areas of the country. It has successfully conducted more than hundred learner-centric programmes since October 2017 and trained over one lakh teachers across the country in various discipline specific and interdisciplinary programmes.

In the TLC Programmes distinguished and internationally acclaimed resource persons deliver lectures and conduct sessions on wide ranging disciplines/topics of relevance in the contemporary and ever evolving global scenario to benefit the teaching fraternity, corporates and researchers. The sessions are also uploaded for larger audiences on the official YouTube Channel of the College.

Ramanujan College is a pioneer in offering offline/online courses for faculty members of higher education institutions and research scholars through the customised Learning Management System (LMS), designed by the College's Research Development and Services Cell. It is predominantly participant-friendly and incorporates evaluation methods and comprehensive feedback systems to judge learning outcomes. The LMS is hosted on CLOUD with high scalability and reliability. The College has installed its own Cloud Infrastructure to host its servers for research and data analysis.

Concept Note

This Online Faculty Development Programme aims to develop the foundational knowledge required for training the teachers to securely work in the cyberspace. The programme will focus on making the participants aware about the plausible threats in the cyberspace the protective and preventive measures to prevent these risks and threats. The participants will be familiarized with the themes related to loss of data, security breaches through phishing attacks, malwares and viruses. This will include orienting them about the techniques for password management, proper data management, need for data backup and the importance of using updated antivirus application. The participants will also be introduced to the different aspects of cyber laws, cyber crime and cyber ethics. The participants will hence be able to identify their system vulnerabilities and adopt the best practices to secure their system. The other major focus of this Faculty Development Programme is to acquaint the participants with the effects of using social media platforms and how these platforms can be a major source for falling prey to cyber threats as well as cyber crimes.

Themes

- **Concept of cyberspace**
- **Issues, challenges and, risks while operating in cyberspace**
- **Threats like viruses, malwares, phishing attacks and hacking**
- **Cyber hygiene and internet security**
- **Cyber hygiene as a best practice to secure system in cyberspace**
- **Cyber Ethics Awareness towards prevention against cyber crime**
- **Awareness towards detrimental effects of using social media and other platforms and recommendations to prevent them**
