**ONE-WEEK FACULTY DEVELOPMENT PROGRAMME
E-LEARNING & E-GOVERNANCE
21 - 27 FEBRUARY 2022**

**CALL FOR REGISTRATION
AND PARTICIPATION**

RAMANUJAN COLLEGE

Ramanujan College is a constituent College of the University of Delhi (DU). It is inspired by the life and work of Srinivasa Aiyangar Ramanujan, one of the world's greatest mathematicians. The College has been accredited Grade "A" by the National Assessment and Accreditation Council (NAAC) in its First Cycle. It is located in the well-known area of Kalkaji, near Nehru Place, in South Delhi.

The College was established in 1958 as an evening college for boys with just five programmes. Since 2010, Ramanujan College has been expanding and now with the latest addition of B.Sc. Environmental Sciences (Hons) in 2020, it at present offers sixteen undergraduate programmes in different disciplines. This achievement, in alignment to the recommendations of the National Education Policy (NEP) 2020, makes the College a centre for interdisciplinary studies and research with a future focus on blended learning. It has gradually grown into a self-sufficient and self-reliant institution owing to its academic vigour and intellectual capital.

Ramanujan College was awarded the Deen Dayal Upadhyay – Knowledge Acquisition and Upgradation of Skilled Human Abilities and Livelihood (DDU KAUSHAL) Kendra in 2016 by the UGC, under which two vocational courses were started in Banking Operations and Software Development.

The College has conducted a Course on Human Rights, Environment and Ethics through its National Resource Centre (NRC), under the Annual Refresher Programme in Teaching (ARPIT) scheme of Ministry of Education (MoE). This Course was uploaded on MoE's Massive Open Online Course (MOOC) platform SWAYAM and many participants registered for it.

Ramanujan College offers various short-term diploma, certificate, and executive development programmes on contemporary and skill-oriented themes. These are conceived and designed by faculty members in consultation with external experts.

The courses get exceptional response from the students and are conducted throughout the academic session. They are open to alumni and students of all the colleges. Some of these courses support the curriculum, some prepare the students for higher studies and also accelerate the professional growth.

The College is the Study Centre of School of Open Learning (SOL), Non-Collegiate Women Education Board (NCWEB) and Indira Gandhi National Open University (IGNOU) for various courses. As an initiative towards students and teachers exchange programmes, the College has entered into Memorandum of Understanding(s) with foreign universities. It is also working for collaboration with other higher education institutions located in remote areas of the country, under the Vidya Vistar Scheme of the University of Delhi.

The prestigious Teaching Learning Centre was awarded to Ramanujan College in 2017 by the Ministry of Education, under the Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT) scheme.

In pursuit of its vision: "Discover, Empower, Transform: Building A Better World", Ramanujan College is today perceived as one of the best colleges in the country.

TEACHING LEARNING CENTRE, RAMANUJAN COLLEGE

Teaching Learning Centre (TLC) is mandated by the Ministry of Education (MoE) to organise Faculty Development Programmes (FDPs), Faculty Orientation and Induction Programmes (FIPs), discipline specific and interdisciplinary Refresher Courses, conferences, workshops, through offline and online modes. These programmes are based on in-depth subject knowledge, quantitative and qualitative research methodologies, and on an interdisciplinary approach as is envisaged in the National Education Policy (NEP), 2020.

The TLC, Ramanujan College has been set up with the aim of "Reaching the Unreached" teachers in terms of regional diversity and geographically remote areas of the country. It has successfully conducted more than hundred learner-centric programmes since October 2017 and trained over one lakh teachers across the country in various discipline specific and interdisciplinary programmes.

In the TLC Programmes distinguished and internationally acclaimed resource persons deliver lectures and conduct sessions on wide ranging disciplines/topics of relevance in the contemporary and ever evolving global scenario to benefit the teaching fraternity, corporates and researchers. The sessions are also uploaded for larger audiences on the official YouTube Channel of the College.

Ramanujan College is a pioneer in offering offline/online courses for faculty members of higher education institutions and research scholars through the customised Learning Management System (LMS), designed by the College's Research Development and Services Cell. It is predominantly participant-friendly and incorporates evaluation methods and comprehensive feedback systems to judge learning outcomes. The LMS is hosted on CLOUD with high scalability and reliability. The College has installed its own Cloud Infrastructure to host its servers for research and data analysis.

SHRI TRIKAMJIBHAI CHATWANI ARTS & J.V.GOKAL TRUST COMMERCE COLLEGE, RADHANPUR

In an economically as well as educationally backward and border area like Santalpur and Radhanpur, **Shri Amar Jyot Education Trust** has been formed in order to develop the circumference of education as well as with the main purpose to provide Higher Education. Late Shri Himmatlal Mulani (Former Speaker of 8th Gujarat Legislative Assembly) laid the founding stone and firm pillars of this institution, which in the course of the time has flourished in to a blossoming tree.

This trust constantly remains active with an important purpose and aim to provide Pre-Primary to Post-Graduation level education in one campus. Apart from this, with changing time to develop the scope for girls' education. The trust possesses this aim and objective to make necessary developments in the technical areas so that boys and girls of this area may get sufficient opportunities in the professional areas.

Shri Trikamjibhai Chatwani Arts & J.V.Gokal Trust Commerce College, Radhanpur was established in the year 1992. Over a period of nearly two decades, it has grown in terms of introducing new courses, undertaking research programmes, publishing books, organizing seminars and conferences and celebrating various festivals. As of now there are about 3000 students in the college, pursuing programmes such as B.A., B.Com., M.A. , M.Com. The college has been accredited with B Grade in 2019 by NAAC.

It should be noted here explicitly that during the formative years of its growth and development the college strived its best to stick to its principle, aims and objectives for which it was established. The sole objective of the Trust is "to develop the circumference of education as well as with the main purpose of Higher Education at Home also. The Trust constantly remains active with an important purpose and aims to provide Pre-Primary to Post Graduation Level Education in the same campus. Apart from that with the changing of time, the Trust also aims to make necessary developments in the Technical areas so that the students may get sufficient opportunities in the professional areas."

The Welfare of a nation depends on the quality of its citizens and the basic principles for sharpening the qualities of citizen is to train him and refine him and equip him with perfect knowledge in accordance with the changing time. To be more explicit he should move in pace with rest of the world.

CONCEPT NOTE

With the advent of technology, e-learning has become an intrinsic part of the teaching and learning process. Further the recent UGC Draft proposal on Blended learning has made it both urgent and necessary for educational institutions to work towards developing strategies for online education. Several initiatives have been undertaken in the direction of constructing an effective teaching learning environment using the fruits of technology. These include development of e-content, massive open online courses, virtual labs and knowledge repositories.

The onset of the recent pandemic situation completely transformed the way in which teaching was imparted and ultimately the teaching pedagogy. The medium of content delivery, communication, assessment and feedback transitioned to the online platforms available. This led the teaching fraternity to redesign the entire teaching learning process and embrace ICT

tools and technologies as chariots of contemporary education.

This Online Faculty Development Programme aims to develop the required skills to effectively utilize ICT tools and make them an essential component of the teaching-learning framework. The programme aims to assist the teaching fraternity from all disciplines in using various technologies related to the development of e-content and managing online classes. The FDP is designed to disseminate knowledge of some of the important digital tools used for academic purposes.

Further, programme also focuses on different facets of e-governance. This will help them to manage the institutional requirements and also in extending effective support to the college in terms of effective administration and communication. The participants will be trained in developing e-content in the form of presentations, videos, infographics which are engaging and interactive and would better cater to the needs of students with different learning styles. The programme would also highlight the essential requirements and setup needed to develop best practices for e-governance in higher educational institutions.

The sessions would be practical in nature and would demonstrate usage of different extensions and applications. The FDP also outlines creation and conduct of online assessments and quizzes that could support seamless and hassle-free grading and evaluation of students which would not only be simple for the teachers but also interesting for the students.

Overall, the FDP plans to equip the teaching fraternity with the necessary capability to excel in their teaching endeavors supported by the various tools available which are not only teacher but also student friendly at the same time and can definitely better the teaching learning environment.

THEMATICS

- **Online Learning: Concepts and Tools**
- **Components of e-content: Four Quadrant Approach prescribed by the Ministry of Education**
- **Assessment 2.0**
- **E-governance and emerging technologies**
- **Digital Payments Procurement**
- **Institutional Ranking and Accreditation: NAAC and NIRF**

REGISTRATION DETAILS AND PAYMENT PROCESS

ELIGIBILITY

Faculty members (regular/adhoc/temporary) in teaching profession are eligible to apply for this programme.

All those who meet the eligibility criterion are required to register and pay a **Non-Refundable fee of INR 950/- by visiting**

rcmoocs.in

REGISTRATION DEADLINE: 20 February 2022

After successful registration & payment, the participants will receive a confirmation via email. Please keep checking the spam folder of the email as the bulk email sent may end up in the spam folder.

An official group has been made for communication with the participants on "Telegram." You are therefore requested to install the Telegram App either from the Play Store or App Store. The link to join the official group will be provided in the confirmation mail.

IMPORTANT:

- Registration is mandatory for participation.
