Call for Registration & Participation

RAMANUJAN COLLEGE

Ramanujan College, a constituent College of the University of Delhi was established in 1958 as an evening college. The College has been accredited Grade "A++" by the National Assessment and Accreditation Council (NAAC) in its Second Cycle.

At present, Ramanujan College offers sixteen undergraduate programmes in different disciplines. Besides this, the college has been awarded the DDU KAUSHAL (Deen Dayal Upadhyay - Knowledge Acquisition and Upgradation of Skilled Human Abilities and Livelihood) Kendra (2016) by UGC and Teaching Learning Centre (2017) by the Ministry of Education. The College also offers short-term diploma, certificate, and executive development programmes on contemporary and skill-oriented themes to complement the regular graduation courses. It is also the Study Centre of School of Open Learning (SOL), Non-Collegiate Women Education Board (NCWEB) and Indira Gandhi National Open University (IGNOU) for various courses.

In 2018, the College conducted a Course on Human Rights, Environment and Ethics through its National Resource Centre (NRC), under the Annual Refresher Programme in Teaching (ARPIT) scheme of MoE. The College has also entered into Memorandum of Understanding(s) with foreign universities. It is also working for collaboration with other higher education institutions located in remote areas of the country, under the Vidya Vistar Scheme of the University of Delhi.

TEACHING LEARNING CENTRE RAMANUJAN COLLEGE

Teaching Learning Centre (TLC) is mandated by the Ministry of Education (MoE) to organise Faculty Development Programmes (FDPs), Faculty Orientation and Induction Programmes (FIPs), discipline specific and interdisciplinary Refresher Courses, conferences, workshops, through offline and online modes. These programmes are based on indepth subject knowledge, quantitative and qualitative research methodologies, and on an interdisciplinary approach as is envisaged in the National Education Policy (NEP), 2020.

The TLC, Ramanujan College has been set up with the aim of "Reaching the Unreached" teachers in terms of regional diversity and geographically remote areas of the country. It has successfully conducted more than hundred learner-centric programmes since October 2017 and trained over one lakh teachers across the country in various discipline specific and interdisciplinary programmes.

In the TLC Programmes distinguished and internationally acclaimed resource persons deliver lectures and conduct sessions on wide ranging disciplines/topics of relevance in the contemporary and ever evolving global scenario to benefit the teaching fraternity, corporates and researchers. The sessions are also uploaded for larger audiences on the official YouTube Channel of the College.

Ramanujan College is a pioneer in offering offline/online courses for faculty members of higher education institutions and research scholars through the customised Learning Management System (LMS), designed by the College's Research Development and Services Cell. It is predominantly participant-friendly and incorporates evaluation methods and comprehensive feedback systems to judge learning outcomes. The LMS is hosted on CLOUD with high scalability and reliability. The College has installed its own Cloud Infrastructure to host its servers for research and data analysis

G. N. KHALSA COLLEGE

Guru Nanak Khalsa College of Arts, Science and Commerce is a premier institution established in the year 1937 by the initiative taken by Dr. B. R. Ambedkar and instituted by Shiromani Gurudwara Prabandhak Committee (SGPC). The College is affiliated to University of Mumbai and presently offers 24 UG, 24 PG and 7 PhD programmes under the faculties of Arts, Science and Commerce. In addition, it also conducts 27 certificate / diploma courses. The College has around 130 full time faculty and around 4000 students at present.

It is re-accredited by NAAC with "A" Grade with CGPA of 3.54 and awarded with "Best College Award" by University of Mumbai 2011-2012. The Institution has also been recognized by DST through the award of FIST grant, DBT-STAR grant and has also been awarded with "College With Potential for Excellence" grant by UGC.

It is one of the premier institutes in Mumbai with proven track record in undertaking sponsored research projects by faculty with 70 minor and 12 major research projects sanctioned in the last five years. It has an established research center - Guru Nanak Institute for Research and Development (GNIRD) where researchers are working in pure and applied sciences. Institution has been funded by DST for the establishment of "National Facility for Biopharmaceuticals" (NFB) and the center is serving towards the training and research in biopharmaceuticals enormously.

Despite being a Minority institution, the college follows the Sikh ideology of oneness of Humanity, prides itself on its cosmopolitan staff and student population and a healthy, secular atmosphere. The College seeks to uphold and perpetuate Sikh culture through Punjabi classes, Divinity classes and 'Akhand Path' followed by 'Langar', wherein everyone participates.

CONCEPT NOTE

Research is the cornerstone of any academic institution, and quality research depends on the use of advanced research methodology. This interdisciplinary course is designed to provide faculty members with advanced research methodology skills to help them conduct high-quality research in their respective fields.

The primary tools covered are those that would aid a researcher in a systematic background knowledge probe, data visualization, and effective presentation of results, writing research paper, preparation of reports and thesis, and prevention against plagiarism. The course also aims to train the participants in different software applications and facilitate the application of these software in their teaching-learning methods and research endeavor.

THEMATICS

- **Introduction to Advanced Research Methodology**
- **Understanding Research Paradigms and Philosophies**
- **Research Design and Sampling Techniques**
- **Data collection and Data Visualization**
- **Data Analysis Techniques**
- **Systematic Literature Review and Meta Data Analysis**
- **Qualitative Research Methods**
- **Quantitative Research Methods**
- **Mixed-Methods Research**
- **Writing Research Report and Research Papers using LaTeX**
- **Research Ethics and Plagiarism**
- **Publication Ethics and Best Practices**
- **Research Dissemination and Communication**
- **Research Funding and Proposal Writing**
- **Advanced Searching Tools and Referencing Tools**
- **Scientific Journal Finder**
- **Indexing and Impact Factors**
- **Use of Technology in Research Methodology**

EXPECTED LEARNING OUTCOMES

After successful completion of the online course, the participants will be able to:

- Gain better understanding on how to identify a research problem and design a valid research project to answer specific research questions
- Get hands-on training in the usage of several open source tools that can assist them in their research endeavors
- Write effective research papers and thesis in the journal designated formats using online tools
- Know the process of finding good quality journals for research and publishing

REGISTRATION AND PAYMENT PROCESS

ELIGIBILITY

Faculty members (regular/adhoc/temporary) in teaching profession, research scholars and postgraduate students are eligible to apply for this programme.

All those who meet the eligibility criterion are required to register and pay a **Non-Refundable fee of INR 1450/- by visiting**

rcmoocs.in

REGISTRATION DEADLINE: 21 April 2023

After successful registration & payment, the participants will receive a confirmation via email. Please keep checking the spam folder of the email as the bulk email sent may end up in the spam folder.

An official group has been made for communication with the participants on "Telegram." You are therefore requested to install the Telegram App either from the Play Store or App Store. The link to join the official group will be provided in the confirmation mail.

IMPORTANT:

- Registration is mandatory for participation.
- Attempting and submitting all the quizzes and assignments is mandatory, and each participant should score atleast 50% aggregate to be eligible for the completion certificate.
- Graded certificates on the basis of performance will be awarded to the participants.
- As part of the Ministry of Education's requirement under the PMMMNMTT scheme, all participants need to submit online feedback for each session.
- **No Objection Certificate (NOC) or Leave is NOT REQUIRED to participate in the Programme. However, participants are expected to inform their authorities about their participation.**
- Failing to meet any of the above conditions will result in the denial of completion certificate.
