RAMANUJAN COLLEGE

Ramanujan College, a constituent College of the University of Delhi was established in 1958 as an evening college. The College has been accredited Grade “A++” by the National Assessment and Accreditation Council (NAAC) in its Second Cycle.

At present, Ramanujan College offers sixteen undergraduate programmes in different disciplines. The College has been awarded the DDU KAUSHAL (Deen Dayal Upadhyay - Knowledge Acquisition and Upgradation of Skilled Human Abilities and Livelihood) Kendra (2016) by UGC and Teaching Learning Centre (2017) by the Ministry of Education. The College also offers short-term diploma, certificate, and executive development programmes on contemporary & skill - oriented themes to complement the regular graduation courses.

It is also the Study Centre of Non-Collegiate Women Education Board (NCWEB) and Indira Gandhi National Open University (IGNOU) for various courses. In 2018, the College conducted a Course on Human Rights, Environment and Ethics through its National Resource Centre (NRC), under the Annual Refresher Programme in Teaching (ARPIT) scheme of MoE.

The College has also entered into Memorandum of Understanding(s) with foreign universities. It is also working for collaboration with other higher education institutions located in remote areas of the country, under the Vidya Vistar Scheme of the University of Delhi.

CONCEPT NOTE

These are exciting times when experiments are happening across the economy in social entrepreneur space, integrated-network space, in clean technology space and many more. India's commitment to green practices will continue to be a critical factor in the overall success of the economy, ensuring a cleaner environment, improved public health, natural resource conservation, and smarter and more efficient business processes. This course provides an immense opportunity to make different aspects of sustainability analytically reachable and more productive for future research and policy initiatives by the government. The refresher course intends to throw light on the challenges and opportunities that sustainable development imposes on the Indian Economy. It will also look at possible policy formulations which may help in mitigating the challenges of development and growth but in a responsible and sustainable manner.

THEMES

- Economy of Things
- New Financial Concepts and Their Security Implications
- Understanding Decentralised Finance
- Central Bank Digital Currencies
