is organising an

Online Two-week Refresher Course in

Environmental Science

29 August - 12 September 2023

**Call for Registration &
Participation**

RAMANUJAN COLLEGE

Ramanujan College, a constituent College of the University of Delhi was established in 1958 as an evening college. The College has been accredited Grade "A++" by the National Assessment and Accreditation Council (NAAC) in its Second Cycle.

At present, Ramanujan College offers sixteen undergraduate programmes in different disciplines.

the college has been awarded the DDU KAUSHAL (Deen Dayal Upadhyay - Knowledge Acquisition and Upgradation of Skilled Human Abilities and Livelihood) Kendra (2016) by UGC and Teaching Learning Centre (2017) by the Ministry of Education. The College also offers short-term diploma, certificate, and executive development programmes on contemporary and skill-oriented themes to complement the regular graduation courses. It is also the Study Centre of School of Open Learning (SOL), Non-Collegiate Women Education Board (NCWEB) and Indira Gandhi National Open University (IGNOU) for various courses.

In 2018, the College conducted a Course on Human Rights, Environment and Ethics through its National Resource Centre (NRC), under the Annual Refresher Programme in Teaching (ARPIT) scheme of MoE. The College has also entered into Memorandum of Understanding(s) with foreign universities. It is also working for collaboration with other higher education institutions located in remote areas of the country, under the Vidya Vistar Scheme of the University of Delhi.

TEACHING LEARNING CENTRE RAMANUJAN COLLEGE

Teaching Learning Centre (TLC) is mandated by the Ministry of Education (MoE) to organise Faculty Development Programmes (FDPs), Faculty Orientation and Induction Programmes (FIPs), discipline specific and interdisciplinary Refresher Courses, conferences, workshops, through offline and online modes. These programmes are based on indepth subject knowledge, quantitative and qualitative research methodologies, and on an interdisciplinary approach as is envisaged in the National Education Policy (NEP), 2020.

The TLC, Ramanujan College has been set up with the aim of "Reaching the Unreached" teachers in terms of regional diversity and geographically remote areas of the country. It has successfully conducted more than hundred learner-centric programmes since October 2017 and trained over one lakh teachers across the country in various discipline specific and interdisciplinary programmes.

In the TLC Programmes distinguished and internationally acclaimed resource persons deliver lectures and conduct sessions on wide ranging disciplines/topics of relevance in the contemporary and ever evolving global scenario to benefit the teaching fraternity, corporates and researchers. The sessions are also uploaded for larger audiences on the official [YouTube Channel of the College.](#)

The courses are offered through the customised Learning Management System (LMS), designed by the College's Research Development and Services Cell. It is predominantly participant-friendly and incorporates evaluation methods and comprehensive feedback systems to judge learning outcomes. The LMS is hosted on CLOUD with high scalability and reliability. The College has installed its own Cloud Infrastructure to host its servers for research and data analysis.

RAGHUNATH GIRLS' (P.G.) COLLEGE

With the vision to provide educational opportunities to girls in mind, Mrs. Kripa Devi conceived the idea of an educational institution and laid the foundation of Raghunath Girls' (P.G.) College under the Kripa Devi Trust Fund Society on February 27, 1929, with the noble aim of promoting women's education in the area. The institution started with 5 students and has ever since progressed to become a pioneering and reputed institution in Meerut City, with a strength of nearly 5000 students as of date. Building on the strong foundation of the college, we strive to make learning an enriching, fulfilling, and enjoyable experience through multidisciplinary approaches. Our focus is on consistent and catalytic improvement in the overall development of the college, its students, and faculties, and paving the way for innovative ideas and thinking to promote a value-based academic environment. Today it stands high, having been declared one of the best girls' colleges in the state of Uttar Pradesh, having completed four cycles of NAAC accreditation so far. Out of these four, the college has been accredited with an "A" grade two times and has recently been accredited with a "B+" grade with a score of 2.53 and has been awarded the status of "College of Excellence (CoE)" by UGC in 2014.

CONCEPT NOTE

The Online Refresher Course is an effort towards exploring different dimensions and implications of anthropogenic activities on environment and human health. The toxic impact of infrastructural development and progress has made it pertinent to ask the right questions to seek sustainable solutions. It has become important to problematize the current policies, laws and day to day engagements which concerns environment and climate change. The modules therefore intend to probe into the ability of humans to undertake steps which can effectively help protect environment. The Course will also acquaint the participants with the latest developments & changes in the sector at all levels including regional, national and international issues.

THEMES

- Relevance of Environmental Education
- Global Environmental Changes
- Population and Resource Management
- Tools and Techniques for Waste Management
- Forest Management, Policies and Protection Initiatives
- Development Induced Human Displacement & Rehabilitation
- Environmental Governance in India
- Climate Change Issues and Challenges
- Green Energy and Technology
- Human Rights, Ethics, and Environment
- The question of Sustainable development
- Spatial Technologies in Natural Resource Management
- Environmental Economics and Ecopreneurship

REGISTRATION AND PAYMENT PROCESS

ELIGIBILITY

Faculty members (regular/adhoc/temporary) from Environmental studies and allied disciplines are eligible to apply for the course.

All those who meet the eligibility criterion are required to register and pay a Non-Refundable fee of INR 1450/- by visiting
