CONCEPT NOTE

The last two years have witnessed significant transformation in the nature of educational ecosystem in India. From using Information technology as an additional tool in classroom to its careful incorporation in the teaching and learning process, the academic community is continuously adapting to the changed requirements. This change becomes more pertinent in the wake of the National Education Policy, 2020 (NEP 2020). NEP 2020 calls for an innovative approach and latest skills from educators for creating a holistic learning environment in this unprecedented context.

The classroom space needs strengthening and expansion in terms of multi-dimensionality. Innovative approaches, both for teaching and evaluation, should be adopted in addition to imparting immense value to the skill development and understanding of the ever-changing dynamics between the local and the global. This calls for a careful incorporation of digital technologies with experiential and activity-based learning. These changes can be accomplished only through a systematic training mechanism focused on preparing a pool of efficient and effective educators.

In this backdrop, the present Online Induction Training/Orientation Programme organised under the Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching scheme of Ministry of Education aims to acquaint teachers with the most recent techniques in pedagogy along with a focus on developing their technological, administrative skill-set. The objective is to empower and motivate the teachers for enlivening the learning process which is collaborative and participant-centered. Further, the focus is to integrate learning and teaching with Information Communication Technology (ICT), and to equip the teachers with the latest assessment tools in higher education.

For this, the programme will have deliberations on teaching and research methodologies, curriculum structure, and design, gender and social diversity, professional ethics, sharing of best practices, and also the updating of developments in specific disciplines in which the teachers are engaged. The training module for this Induction Programme also emphasizes the personal development of the teachers in terms of interpersonal skills, career development, and life planning issues. It will provide the teachers with the instructional tools for curriculum design and assessment, accessing technology. There is a detailed discussion on the organizational skills required for the teachers to initiate and improve the institutional environment.

The Programme will be conducted online in a self - paced manner through the Learning Management System (LMS), designed by the Research Development and Services Cell of the college. It is predominantly participant-friendly and incorporates the four - quadrant approach prescribed by the Ministry of Education. The sessions are also uploaded for larger audiences on the [official YouTube Channel of the College.](#)

The Induction Programme also involves expert guidance of eminent academics and specialists, hands-on training modules, exercises in direct classroom teaching, questionnaire-based responses, interactive sessions, collaborative learning, assessment of learning outcomes, project work, and field visits.

RAMANUJAN COLLEGE

Ramanujan College, a constituent College of the University of Delhi was established in 1958 as an evening college. The College has been accredited Grade "A++" by the National Assessment and Accreditation Council (NAAC) in its Second Cycle.

At present, Ramanujan College offers sixteen undergraduate programmes in different disciplines. Besides this, the college has been awarded the DDU KAUSHAL (Deen Dayal Upadhyay - Knowledge Acquisition and Upgradation of Skilled Human Abilities and Livelihood) Kendra (2016) by UGC and Teaching Learning Centre (2017) by the Ministry of Education. The College also offers short-term diploma, certificate, and executive development programmes on contemporary and skill-oriented themes to complement the regular graduation courses. It is also the Study Centre of School of Open Learning (SOL), Non-Collegiate Women Education Board (NCWEB) and Indira Gandhi National Open University (IGNOU) for various courses.

In 2018, the College conducted a Course on Human Rights, Environment and Ethics through its National Resource Centre (NRC), under the Annual Refresher Programme in Teaching (ARPIT) scheme of MoE. The College has also entered into Memorandum of Understanding(s) with foreign universities. It is also working for collaboration with other higher education institutions located in remote areas of the country, under the Vidya Vistar Scheme of the University of Delhi.

ARMY INSTITUTE OF EDUCATION

Army Institute of Education (AIE) was established in August 2003 with the aim of providing pre-service teacher education to the dependents of Army personnel under the aegis of Army Welfare Education Society (AWES).

Army Institute of Education is affiliated to Guru Gobind Singh Indraprastha University (GGSIPIU), Delhi. It is recognized by the National Council for Teacher Education (NCTE) for its Bachelor of Education (B. Ed.) programme and the Rehabilitation Council of India (RCI) for its B.Ed. Special Education (Learning Disability) programme. The Institute is NAAC accredited and is ISO 9001:2015 certified.

With its motto "Pragya, Pratishtha Pragyanam", the Institute has grown as a Centre of Excellence in the Field of Teacher Education. Having a lush green campus spread over nearly 2.92 acres of land in a prime location in the city, Army Institute of Education provides an ideal environment to the aspiring learners for pursuing their studies in education. Army Institute of Education cradles a genuine concern for the pursuit of human enquiry and for the perpetuation of knowledge traditions in an environment conducive to an inspiring teacher education programme.
