Online One-week Faculty Development Programme

NATIONAL EDUCATION POLICY 2020

28 August - 03 September 2023

Call for Registration & Participation

RAMANUJAN COLLEGE

Ramanujan College, a constituent College of the University of Delhi was established in 1958 as an evening college. The College has been accredited Grade "A++" by the National Assessment and Accreditation Council (NAAC) in its Second Cycle.

At present, Ramanujan College offers sixteen undergraduate programmes in different disciplines. Besides this, the college has been awarded the DDU KAUSHAL (Deen Dayal Upadhyay - Knowledge Acquisition and Upgradation of Skilled Human Abilities and Livelihood) Kendra (2016) by UGC and Teaching Learning Centre (2017) by the Ministry of Education. The College also offers short-term diploma, certificate, and executive development programmes on contemporary and skill-oriented themes to complement the regular graduation courses. It is also the Study Centre of School of Open Learning (SOL), Non-Collegiate Women Education Board (NCWEB) and Indira Gandhi National Open University (IGNOU) for various courses.

In 2018, the College conducted a Course on Human Rights, Environment and Ethics through its National Resource Centre (NRC), under the Annual Refresher Programme in Teaching (ARPIT) scheme of MoE. The College has also entered into Memorandum of Understanding(s) with foreign universities. It is also working for collaboration with other higher education institutions located in remote areas of the country, under the Vidya Vistar Scheme of the University of Delhi.

TEACHING LEARNING CENTRE RAMANUJAN COLLEGE

Teaching Learning Centre (TLC) is mandated by the Ministry of Education (MoE) to organise Faculty Development Programmes (FDPs), Faculty Orientation and Induction Programmes (FIPs), discipline specific and interdisciplinary Refresher Courses, conferences, workshops, through offline and online modes. These programmes are based on indepth subject knowledge, quantitative and qualitative research methodologies, and on an interdisciplinary approach as is envisaged in the National Education Policy (NEP), 2020.

The TLC, Ramanujan College has been set up with the aim of "Reaching the Unreached" teachers in terms of regional diversity and geographically remote areas of the country. It has successfully conducted more than hundred learner-centric programmes since October 2017 and trained over one lakh teachers across the country in various discipline specific and interdisciplinary programmes.

In the TLC Programmes distinguished and internationally acclaimed resource persons deliver lectures and conduct sessions on wide ranging disciplines/topics of relevance in the contemporary and ever evolving global scenario to benefit the teaching fraternity, corporates and researchers. The sessions are also uploaded for larger audiences on the official YouTube Channel of the College.

Ramanujan College is a pioneer in offering offline/online courses for faculty members of higher education institutions and research scholars through the customised Learning Management System (LMS), designed by the College's Research Development and Services Cell. It is predominantly participant-friendly and incorporates evaluation methods and comprehensive feedback systems to judge learning outcomes. The LMS is hosted on CLOUD with high scalability and reliability. The College has installed its own Cloud Infrastructure to host its servers for research and data analysis

DAV COLLEGE, JALANDHAR

DAV College Jalandhar established in 1918 in the sacred memory of Maharishi Dayanand Saraswati to impart modern knowledge along with the Vedic traditions to the youth of contemporary India. The institution has entered into the 106th year and has established itself as an academic giant with matchless service of growth and grooming of youth in this part of the country.

It becomes imperative for us to acquire new ways of thinking and perceiving reality. This paradigm shift towards a new World Order compels us to 'innovate'. For this, we at DAV College, Jalandhar are always taking the challenges, finding opportunities and devising changes to foster developments. Our institution has always been at the forefront of pushing the boundaries of knowledge and advancing human understanding. From pioneering breakthroughs in various fields to fostering a culture of collaboration and curiosity, our college stands a shining example of excellence in academics and sports.

The institution's campus is WiFi enabled with modern infra-structure that includes spacious and well-equipped smart classrooms, well-stocked library with DELNET connections, Hi- Technology Science laboratories and state of art computer labs supplemented with dedicated leased line internet connections. Five comfortable Hostels, two for boys and two for girls and one for sportspersons, vast and well-maintained playgrounds, manicured lawns complete the picture of the college.

CONCEPT NOTE

India's National Education Policy 2020 (NEP 2020) makes a paradigm shift in conceptualizing education as a means to equip students with skills suited for the 21st century and not just for making them employable. It calls for deep rethinking and redesigning of academic systems along with parallel changes in administrative and regulatory systems. When done with participation of all concerned - institutional leadership, faculty, administrators, and students- the policy has the potential to align the goals of quality with affordability; academic degrees with job readiness; and national ambitions with individual gains.

The current programme aims to train the faculty members in the new knowledge and skills which is required to move beyond the scope of traditional classroom and to implement novel approaches to their teaching pedagogy. Overall, the current Faculty Development Programme is an effort to probe into the different limitations which are witnessed by faculties of Higher Education. It also aims to train the faculty members in the new knowledge and skills which is required to move beyond the scope of traditional classroom.

THEMATICS

- Quality Universities and Colleges: A New and Forward-looking Vision for India ' s Higher Education System
- Evolution of Research-intensive or Teaching-intensive Universities
